Changes in Education

“Every school should be a model home, a complete community actively developing future compassionate citizens capable of creating, leading and contributing to the kind of democratic communities - in which we all long to live.”

— Jeanne Gibbs

1. How has technology changed the way we acquire knowledge?
2. Create a chart to record the 5 aspects of the tribes approach.

| Aspect | What this means is... |
|---------------|------------------------------|
| i) | |
| ii) | |
| iii) | |
| iv) | |
| v) | |

3. Explain, in your own words, what a **Learning Community** is.
4. Why is **reflection** important in learning?
5. What is **resiliency** and why is it an important life skill to learn?
6. In one paragraph Summarize your opinion on the **value** of this style of education.

Consider the following:

*How do you think the **Tribes** educational focus for grades K-12 would help students in their lives, post-secondary?*

*Use specific points to support your opinion.
